2111 Holly Hall

9:30 am - 10:00 am

Celebrate National Bike Month in Houston. Join us for the kick-off of a city-wide campaign.

The Holly Hall Trail is the first in a series of trails that add 45 miles of off-street bicycle and pedestrian facilities to the 300-mile Houston Bikeway Network. The Holly Hall Trail is a joint project between the City of Houston and Texas Department of Transportation. This urban trail broke ground last fall. It connects to existing bikeways along Ardmore Street and Cambridge Street. The trail ends at Fannin providing a connection to Metro Rail.

Please confirm your attendance.
